

RAGNO PU FOOD

Very flexible and lightweight hose suitable for air pressure and fluid transfer. The PU material is resistant to abrasion, oil, UV, and ozone. The hose is ideal for water-based paint sprayers, pneumatic tools, airbrushes, and hose reels.

Inner wall	PU
Outer wall	Green PU
Reinforcement	Strong textile reinforcement
Work pressure	20 BAR
Burst pressure	60 BAR
Temperature range	-15°C to +60°C
Norms	MT26 Food Quality, 1935/2004/EC, 10/2011/EU (simulants A, B, C), 2023/2006/EC (GMP)

Variant	Inner Diameter (mm)	Outer Diameter (mm)	Bending Radius (mm)	Coil (m)
9152030820000	8	12	22	60
9152031050000	10	15	38	50
9152031390000	13	19	65	30
